

We have eight lovely ponies who are looking for friends. By adopting one of them you will be assisting the Centre for Caring Horsemanship to give them a good home and also help provide educational courses, training for horses and riding lessons.

Adoption Form

Purchasers details

Mr / Mrs / Ms / Miss / Master (please circle)

Full Name :

Address :

.....Postcode.....

Tel : Email :

Date of birth (if under 16yrs)

I would like to adopt Hector Luna

Mabel Sydney Hugh

Fred George Doug

Please send adoption form to: The Centre for Caring Horsemanship
South Nethercott Farm, Whiddon Down, Okehampton,
Devon EX20 2QZ

George

I am a cheeky 13.2 hh Skewbald gelding. At 8 years old I am grown up and sensible so I help young children to ride ... but sometimes I like to think i am still a foal and have lots fun. I have even learnt some circus tricks.

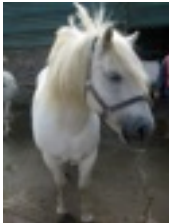

Nancy

i am a 3 yr old white and palomino quarter horse. I am going to learn western riding and already help at demonstrations for the helpful horses workshops at he centre.

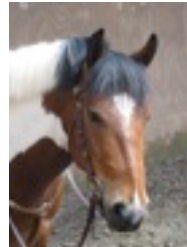

Casper

I am 14yrs old and grey with a long mane. My mum was a highland pony and my dad was a shetland and my friends say I look like a unicorn. I am 12hh and used to work pulling logs.

Bertie

I am a 5yr old coloured Irish cob. I am 15hh and love people. I think I can be rather dashing in my western tack and like it when people choose me for their western riding lessons because I become chubby if I stop taking exercise.

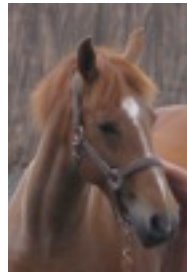

Nazareth

I am a white donkey. I try to get on with everyone so I have lots of friends. I don't always have to stay in a field as I can be trusted to wander around the yard looking after foals, new horses and visitors.

Tizzy

I am a quarter Horse. I stand 14.5hh and I am chestnut. I am also Nancy's mum. At the Centre they think I am very special as I have such a gentle nature and help build peoples confidence as i understand about being bullied or hurt.

Bobby

I am 18yrs old, welsh and now white. I have been poorly all my life as I have a disease which affects my feet and I used to take lots of pills. But by teaching children to ride I became much fitter and now i am well and tell everyone not to give up if they are ill.

Polo

I am the little grey pony with the big heart. I enjoy helping people and will have a go at most things to make my riders happy. I take part in the Centre's kids club and riding for the disabled but am also brave enough to go barrel racing with the western riders.
